

Fascism and Hatred on American AM Radio

It has become obvious the oracle of hatred on American AM radio is Clear Channel Worldwide.

Radio hosts Rush Limbaugh, Glenn Beck, and Michael Savage are the propaganda talking heads of the ugly rising tide of conservative fascism in America. Hate is sold as humor. As examples:

Glenn Beck hate speech toward musician Cheryl Crow:

“I want to kill her. I want to kill her slowly. I want to kill her with a plastic fork.”

A Glenn Beck show jingle about China:

“I love Chinese. I’ll kill them if I please... Throw their excess population in the sea.”

A Glenn Beck show jingle about France:

“I hate the French, I want to beat them with a wrench.”

Glenn Beck claims he is a Christian and brags that he gives 10 percent of his income to his church. He also claims to be a recovered alcoholic. Are these the words of a Christian or a hateful intimidating fascist?

America has lost local ownership of AM radio stations to monopolistic media giants that preach right wing extremism and hatred over 800 or so stations. Help reclaim our public airways!

Write your Congressman! Demand Congress pass local ownership laws for AM radio and other broadcasters.
